

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Claims 1-23 (Cancelled)

24. (Currently Amended) A kit comprising a) a first container containing one or more pharmaceutical dosage forms and a flavoring agent; and b) a second container containing one or more ~~customization~~ additional flavoring agents that are physically and chemically compatible with said one or more pharmaceutical dosage forms.

25. (Original) The kit of claim 24, wherein the first container is a bottle, pouch, unit dose cup, or bulk container containing a plurality of unit dose containers.

26. (Original) The kit of claim 24, wherein the second container is a pouch, blister, straw, matchbook, or a bulk container containing a plurality of unit dose containers.

27. (Original) The kit of claim 24, further comprising a third container comprising an additional quantity of the same dosage form as that contained in the first container.

28. (Original) The kit of claim 24, further comprising a third container comprising an additional quantity of a different dosage form from that contained in the first container.

29. (Currently Amended) The kit of claim 24, wherein the second container contains a plurality of different ~~customization~~ additional flavoring agents.

Claim 30. (Cancelled)

31. (Currently Amended) The kit of claim 24 further comprising instructions for combining said one or more pharmaceutical dosage forms with said customization agents by a consumer.

32. (Currently Amended) The kit of claim 24, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

33. (Currently Amended) The kit of claim 24, wherein said one or more pharmaceutical dosage forms are over-the-counter products.

34. (Currently Amended) The kit of claim ~~29~~24, wherein said second container is a resealable pouch containing a plurality of individual unit doses of ~~customization agents~~said one or more additional flavoring agents.

35. (New) The kit of claim 25, wherein the second container is a pouch, blister, straw, matchbook, or a bulk container containing a plurality of unit dose containers.

36. (New) The kit of claim 25, wherein said second container is a resealable pouch containing a plurality of individual unit doses of said one or more additional flavoring agents.

37. (New) The kit of claim 26, wherein said second container is a resealable pouch containing a plurality of individual unit doses of said one or more additional flavoring agents.

38. (New) The kit of claim 35, wherein said second container is a resealable pouch containing a plurality of individual unit doses of said one or more additional flavoring agents.

39. (New) The kit of claim 25, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

40. (New) The kit of claim 26, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

41. (New) The kit of claim 34, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

42. (New) The kit of claim 35, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

43. (New) The kit of claim 36, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

44. (New) The kit of claim 37, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

45. (New) The kit of claim 38, wherein said one or more pharmaceutical dosage forms are liquid dosage forms selected from the group consisting of syrups, suspensions, solutions, and emulsions.

46. (New) The kit of claim 32, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

47. (New) The kit of claim 39, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

48. (New) The kit of claim 40, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said dosage forms.

49. (New) The kit of claim 41, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

50. (New) The kit of claim 42, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

51. (New) The kit of claim 43, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

52. (New) The kit of claim 44, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.

53. (New) The kit of claim 45, wherein said one or more additional flavoring agents are flaked films that are capable of being suspended in said one or more pharmaceutical dosage forms.
